Journal name

Radiology and Oncology

Journal Owner

Association of Radiology and Oncology

Radiology and Oncology (ISSN 1318-2099) is a multidisciplinary journal devoted to the publishing of original and high quality articles in diagnostic and interventional radiology, computerized tomography, ultrasound, magnetic resonance, nuclear medicine, radiotherapy, clinical and experimental oncology, radiobiology, radiophysics, and radiation protection. Therefore, the scope of the journal is to cover beside radiology diagnostic and therapeutic aspects in oncology, which distinguishes it from other journals in the field.

Open access on the web: ISSN 1518-3207
