

Dear Editor,

We are submitting the manuscript entitled “**The relationship between chondromalacia patella, meniscal tear and medial periarticular bursitis in geriatric patients with osteoarthritis**” and we certify that, the manuscript is not currently being considered for publication elsewhere and none of the paper's contents have been previously published.

All named authors have seen and approved the mention of their names in the paper, contributing directly to the work described. We accept and sign the transfer of copyrights, in the case; our submission was accepted for publication without any potential conflict of interest.

Yours sincerely,

Mustafa Resorlu
