

Authorship, financial disclosure/conflict of interest and copy right transfer form

Article title: Evaluation of Deformable Image Registration (DIR) Methods for Dose Accumulation in Nasopharyngeal Cancer Patients during Radiotherapy

Authors: Wannapha Nobnop^{1,2}, M.S., Imjai Chitapanarux², M.D., Hudsaleark Neamin¹, Ph.D, Somsak Wanwilairat², Ph.D, Vicharn Lorvidhaya², M.D., Taweap Sanghangthum³, Ph.D

The authors agree to disclose any commercial or other associations that might have a conflict of interest in the submitted article. A description of a potential conflict of interest upon publishing the article should be provided in a separate page. The disclosure of individual author must be clearly stated on the title page. The funding support of the work must be also acknowledged on the title page.

The authors signed below guarantee that the manuscript is their original work, and has not been published (except in the abstract form) or under the consideration for publication elsewhere. The authors warrant that the manuscript is free from plagiarism, and does not violate the others' copyright. The authors accept that when the manuscript is published, the right of the manuscript is transferred to the Radiology and Oncology Journal.

By checking the box below, each author declares the authorship of the manuscript, and each author does not have any conflicts of interest regarding the submitted manuscript.
